MEMORANDUM FOR: [REDACTED]

SUBJECT : Shortages and Losses Board

25X1A9A

[REDACTED] asked that you serve on the Shortages and Losses Board during the week of the 13th, when I will be away. The Board expects to meet on Tuesday afternoon at 2 o'clock and [REDACTED] secretary [REDACTED] usually phones each member a day in advance to confirm the meeting. One item of business which the Board may want to consider involves [REDACTED] memorandum concerning the [REDACTED] and [REDACTED] cases. See attached copy of my memorandum. Other cases to be considered at that meeting are being circulated and should reach you before the meeting. What I usually do on these cases is after reviewing them send them back to [REDACTED] by courier. If you receive them too late to send them back by courier you could, of course, take them with you.
